Message to Members

Dear Members,

The Board of Directors, Committee members, and Staff would like to take this opportunity to thank you for another successful year. We thank you for giving us the privilege to serve you and help meet your financial needs. After all, we are not in business to make a profit at your expense, but rather offer the financial services you need to achieve your goals and make your dreams come true.

The 67th Annual meeting will be held on April 21, 2012 at the American Legion Post 298. Tickets for this year's event will be \$10.00... Please check out our website for additional information. Hope to see you at the Annual Meeting.

We are kicking off the first quarter with a newsletter and a new website. These enhancements are designed to provide better service to you, the member. Please understand the changes with the website and IT'sMe247 are for security features to better protect and serve you.

We at GT(BC)EFCU understand that you have many options when it comes to choosing a financial institution. While some of our competitors have huge advertising budgets to offer you their services that may sound better. We are committed to bringing you the latest technological services without losing track of what makes us stand out from the rest... Our SERVICE. We are here to answer your questions and provide the BEST service to our members.

ALL ABOARD!!!! Calling all little engineers..... We are starting a youth savings club called the "Little Engineers Club"! Do your kids have a savings account with us? If so they will automatically be entered into the club. If a new little engineer opens an account he or she will receive a piggy bank to save their change in. Our vision is to grow our membership by adding our youth.

Sincerely,
LuAnn M. Schott
Manager/Treasurer
