Member Appreciation Day!

Stop by YOUR Credit Union for a hot dog, chips, and pop while enjoying some time with fellow Credit Union members.

Monday, September 18th, 11am - 4pm

Message to Members

Dear Members,

Summer has begun at Grand Trunk (Battle Creek) Employees Federal Credit Union! Breeze on in and soak up our small town atmosphere that makes you feel right at home. Our motto is small Credit Union = LARGE Family. We take pride in our close relationships with our members which, enables us to meet everyone's individual needs with e-statements, debit cards, and even incredible loan specials. Thank you to all those who attended the 72nd Annual Meeting. It's always a pleasure to see all of our loyal members and celebrate a great night of success.

With summer here and vacation season approaching that means it's time to protect your cards!! When traveling it's very important to keep your cards safe and secure. Our MasterCard® Debit/ATM cards and VISA® credit cards have fraud protection service. These services allow us, or the fraud protection department to contact you after hours as soon as a fraud transaction is detected. SecurLOCK™ Communication allows fraud alerts to be sent out in real time to our VISA® credit cards and ATM/Debit MasterCard® cardholders via texting, email, and phone calls. Make sure you save the SecurLOCK™ Communication contact number so you have it when they call 1-800-369-4887. Call YOUR credit union today to make sure that we have your current contact number on file!!

As always, before traveling please call the credit union so we are able to put a travel notice on your card so your traveling is not disrupted.

Enjoy your summer with your family and friends! :)

Thank you for your membership,

LuAnn M. Schott, Manager/Treasurer

SecurLOCK™

SecurLOCK™ Communicate allows fraud alerts to be sent out in real time to our VISA® Credit Card and MasterCard® Debit Card holders via texting, email, and phone calls.

Be sure to save the SecurLOCK™ Communicate contact number 1-800-369-4887!

Social Networking Security

If you use Facebook, MySpace, LinkedIn, or any Social Networking Community website, you may want to take a closer look at your privacy settings. The US-CERT, (United States Computer Emergency Readiness Team), offers some good tips on staying safe on social network sites. Among the important tips is simply recognizing that information you post on the web for your friends to read may be open for the world to read.

To learn more visit our securities website at www.cusecure.org

Please Remember to **NEVER EVER** give your account number out!

LOST or STOLEN Visa® credit card and ATM/Debit MasterCard®
