## Keep Us Essential!

New Years is a great time to make sure everything is up to date such as cars, smoke detectors, finances, AND your credit union! Please stop by or call to make sure we have your current contact information on file including: current address, phone number, email address, and beneficiaries and/or joint owners.

### Message to Members

Thank you for a great 2020! During this unprecedented year, we were excited with the momentum of our mobile app! We have received tons of positive feedback about the ease and convenience! We are excited to keep that momentum going into 2021 with the launch of our mobile wallet. Keep an eye on our website and mobile app for more details coming soon. We rolled out our online VISA applications this past year and are looking to provide more information to you on other electronic services we offer.

We were very pleased to be able to provide donations and do our part to support our community in this time of need. Your credit union made donations to many health care workers and school volunteers to thank them for all their hard work during the pandemic. We also made financial contributions to other community partners.

We are continuing to collect gently used coats and winter items throughout the remainder of the season. Thank you for supporting the need in our community with your donations!

Stay tuned for more information on our 2021 Annual Meeting. We are keeping a close eye on the progression of this pandemic and considering alternative options. Mark your calendars for April to celebrate Youth Month with us. Help keep the youth in your life on track with their financial futures! We will have special incentives throughout the month for deposits and new accounts for our youth.

We look forward to serving all of you and your immediate family members in 2021!

*Thank you for your membership,*

Manager/Treasurer
