Keep Us Essential!

The new year is a great time to make sure everything is up to date such as cars, smoke detectors, finances, and your credit union!

Please call or stop by to make sure we have all your current contact information on file, including: current address, phone numbers, email address and joint owners/beneficiaries.

Message to Members

As we close out 2021, we want to thank our members for another unprecedented year. It was so great to celebrate with everyone at our Annual Meeting in October. The event included a nice dinner, great prizes and wonderful conversation. Thank you to those who attended!

Don't forget to use our mobile app. The manage cards feature allows you to set up transaction alerts and deactivate your card. Think you left your MasterCard debit card or VISA

credit card on your dresser? Use the deactivate card button to protect your account until you have it in your possession. **If your card is really lost or stolen, contact the credit union immediately or call the after-hours number 1-800-543-5073.**

Please keep in mind that if you are traveling outside of the country, you will need to use your VISA credit card as our MasterCard Debit cards do not work internationally. Using your VISA credit card will also earn ScoreCard Rewards points with each purchase!

We are continuing to collect gently used coats and winter gear throughout the remainder of the season. Thank you for supporting our community and keeping them warm this winter! We look forward to the spring to celebrate Youth Month in April and our 77th Annual Meeting! Keep your eyes on the website for more information coming soon!

From our small credit union to our large family, we wish you the best for 2022!

Thank you for your membership,

LuAnn Schott

Manager/Treasurer
