### Message to Members

Happy New Year! As we begin our 78th year, we'd like to say a special thank you to our Member Specialist, Sonya. After serving our membership for 15 years, Sonya retired at the end of 2022. While we will miss her smiling face, we are so pleased she was able to provide our newest team members with her wisdom before she retired. Sonya's favorite part of the job was the relationships she'd been able to build with our members. She will remain a member of our credit union family for years to come and we look forward to seeing her catch up with you in the lobby when she comes in to visit us!

We really appreciate everyone who has already joined us in providing gently used coats and winter gear to Charitable Union during the holidays. Our collection barrel will remain in the lobby for the remainder of the season. Thank you for supporting our community and keeping them warm this winter!

Coming soon we will be unveiling a new Debt Protection option to our members who take out new loans. An unexpected job loss, death or disability could prevent you from making timely loan payments – and we want to help. Debt Protection can help by canceling all or part of your protected loan payment or balance, should a protected life event occur. Stay tuned for more information as we get our systems ready for this new product for you.

Looking forward, we want to remind you to keep an eye on our website for details about our Youth Month celebration in April. It's always a great time for the kids... they get to pick a prize out of our special prize bucket for every deposit or account opened, and the month ends with a drawing for a grand prize. And of course, we are furiously planning for our 78th Annual Meeting. Details on the event location and ticket prices will be announced shortly!

We are excited to be here for you in 2023!
