Dear members,

As we move into the new year, we want to extend our sincere appreciation to each of you for your continued support of **Grand Trunk (BC) Employees Federal Credit Union**. Your membership is the foundation of our cooperative, and we remain dedicated to providing secure, dependable, and member-first financial services.

This year, we are placing an even stronger focus on **security and fraud prevention**. March is designated internationally as Fraud Prevention month. Protecting your personal and financial information is one of our highest priorities. We encourage all members to stay vigilant against **phishing attempts**, including emails, texts, or phone calls requesting personal details or account access. Please remember that *Grand Trunk (BC) EFCU will never ask for your PIN, full account number, or online banking login information*.

To further support your safety, our enhanced **card management tools** allow you to monitor spending, set real-time alerts, and quickly lock or unlock your card if it's ever misplaced or stolen. These features put more control in your hands and help prevent unauthorized activity.

We also continue to offer competitive rates on **auto loans, personal loans, and share certificates**, giving you more opportunities to save and borrow wisely throughout the year.

Looking ahead, April is **National Credit Union Youth Month**, and we invite all of our railroaders and their families to bring in their children or grandchildren to open youth accounts. Helping young people learn to save early builds lifelong financial confidence, and we are proud to support the next generation of members.

Thank you for being part of the Grand Trunk (BC) EFCU family.
