April is Credit Union Youth Month! You and your credit union are part of a support system that can help kids understand the importance of savings and developing good financial habits. April is a great time to engage our youth and teach them how to save and use their accounts. During the month of April, kids can enter a drawing for a \$25 Barnes & Noble gift card by opening a new youth or teen account, or by making a \$2 or more deposit into a current account. For every deposit, grab a prize from the GT(BC)EFCU fun basket!
