## Keep us up-to-date

The end of the year is a great time to make sure we have all your up-to-date information. Please contact us to verify that we have your current address, phone number, and email address on file. In addition, please stop in with your current driver's license if you have one that has been recently issued.

### Message to Members

We really enjoyed seeing so many of you this year at our Membership Appreciation Day event. The hot dogs couldn't be beat, and as always, the conversation was lively, and the memories made and shared were priceless.

If you missed seeing us this year, you may not have seen that change is afoot at the credit union. If you haven't seen our recent transformation, I invite you to check out the facelift our beloved family home has received.

We continue to be one of the top-rated financial institutions in the country. To help keep us in good financial standing and protect your investments, we have made some changes to our fee structure. As always, we have kept our rates and fees fair. These changes will go into effect on November 15, 2022. A copy of these changes has been included with this mailing and is available online at [grandtrunkcu.com](http://grandtrunkcu.com).

As you begin to make travel plans this fall or prepare to head south, we ask that you give us a call so that we can put a travel notification on your account to avoid any issues with your debit and credit card.

**Thank you for your membership in the credit union where everyone knows your name.**
